Remarks

Why wait to build when this luxurious home could be yours right now? Recently built in 2024, this Mayfield III home has the upscale finishes with a functional and desirable floor plan that you're looking for. With almost 3,100 SF of space, this entertaining layout is perfect for every lifestyle. Perfectly situated on an expansive corner lot, that is your own private garden oasis. From the great room or the back lanai; you can enjoy long angled, serene water views. The long foyer elegantly leads you to the great room with tray ceiling and verdant garden views where you will see the fine finishes that present throughout the home include large-format polished porcelain tile flooring, custom ceilings, and walls of cabinetry in the kitchen for maximum storage. Pocketing sliding glass doors seamlessly blend the outdoor and indoor entertaining spaces. On the paver lanai you have a spacious gathering area that is pre-plumbed for a future fireplace, plus an outdoor kitchen for meals alfresco. The sparkling, heated pool and spa are perfectly poised to take advantage of the side lake views and are surrounded by new lush landscaping to create your own private escape. Completing the perfect outdoor space is a convenient outdoor accessible pool bathroom. Inside the chef's kitchen highlights modern living
